

FISCAL NOTE

SB 1842 - HB 1094

February 10, 2005

SUMMARY OF BILL: Prohibits the Department of Safety from printing the social security number on any driver license issued or reissued after July 1, 2005.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- There is already a computer program in place that allows the Department, upon request, to omit the printing of a social security number on a driver's license. If this bill were to become law, the Department of Safety would only need to change the default position of the program to not allow the printing of social security numbers.
